Upcoming VPK

VPK Certificates for the coming school year are now available at the Family Central West Palm Office. You can also do it online at www.elcpalmbeach.org

You will need application, proof of residency, and child's birth certificate. Our enrolled students always get first priority and if your child is registered for the coming school year, your space in VPK will be saved as well even if you haven't turned in the form. If you want your child in the 3 hour only VPK class, we need the certificate right away to enroll your child. Class is almost full.

Presidents Day

Throughout the month, the children will be learning about the US Presidents. Towards the end of the month, the children will have a President's Presentation where they will be assigned a President and they will learn facts about that president and their presidency, then they will give a presentation to all of their classmates.

VALENTINE'S DAY PARTY

February 12th, we will celebrate Valentines Day with a Dance. We need parents who would like to decorate a room for the Party. The Classrooms will

take turns going to the Valentines Day Party Room to have a Dance Party. If you would like to help with decorations, we will really appreciate the help. We welcome creativity and new ideas. We will also welcome two parents per classroom that would like to come in and to do arts and crafts with the children. This will be a parent organized idea. Parents will come ready to do the activity of their choice with the children and the teacher will be in the classroom to assist with the project and the children. Parent helpers will be in charge of this activity. Parent helpers please do not bring other children to the classroom. Your full attention will be needed.

Next Year Registration

Information for the coming school year will be available this month for all of our parents. Registration for the coming school year will be due by March 15, 2016. For children not registered by March 15, enrollment will be on a first come basis until we are full.
